**10 If you are completing these steps the day of class**, the link will launch a webpage that will bring you to the Zoom classroom. This may launch an application on your computer.

**If you are completing these steps prior to the day of the class**, a page like the one you see here will launch. Completing the "Meeting Registration" will email a link directly to the course to the email you enter. You can use that link the day of class.

You may be asked to enter your information and register via Zoom, or if you are already logged into your Zoom account it may launch the meeting. This registration step will not charge you any additional charge. It is simply registering your email with Zoom.
